SUMMARY

Partner marketer with 10+ years shipping co-marketing campaigns, content, and enablement in B2B SaaS. At Zendesk I've owned partner marketing for AWS, producing the case studies, campaign kits, and enablement that land with AWS field teams and running joint campaigns across SMB, mid-market, and enterprise. As of October 2026, my scope also covers OpenAI, Anthropic, Google, and Microsoft.

EXPERIENCE

Zendesk — Senior IC, Partner Marketing

Remote · Nov 2023 – Present

Strategic Partnerships (Cloud & AI Partners)

Oct 2026 – Present

- Expanded scope to lead partner marketing for Zendesk's Cloud & AI strategic partners (OpenAI, Anthropic, Google, and Microsoft) while continuing to support AWS in a limited capacity.

Strategic Partnerships (AWS)

Nov 2025 – Oct 2026

- Partnered with regional teams to plan and run 20+ AWS co-marketing campaigns this fiscal year, delivering an 18x ROI and 98 Stage 2+ opportunities.
- Led an AWS-funded GenAI for CX content program that hit 180% of its pipeline target at no program cost.
- Created AWS-led GTM campaigns highlighting Zendesk's AI Agent framework built on Amazon Bedrock, aligned Bedrock messaging to Zendesk AI product launches, and scaled them across global regions.
- Planned and executed joint campaigns with AWS field and marketing from concept through launch for SMB, mid-market, and enterprise, using AWS account mapping, intent-based targeting, and FSI, Retail, and TMEGS industry overlays.
- Launched an AWS Marketplace SMB sales play and expanded it to EMEA; built always-on nurture and CPPO campaign kits, and enabled Marketing, BDR, and AWS-facing teams on Marketplace and co-sell through AWS Partner Central and ACE.
- Built an AI-assisted (Codex + Snowflake) reporting system with RevOps data that tracks campaign pace-to-goal, pipeline contribution, and ACE opportunity progression.

Tech Alliances

Nov 2023 – Nov 2025

- Managed a global co-marketing budget across 20+ strategic partners, including AWS, Anthropic, and HiBob, delivering a 31x ROI on pipeline generation.
- Scaled the "AWS Flywheel" across EMEA, driving a pipeline surge in the Nordics and UK through localized accelerators and tri-party roadshows.
- Managed AWS-funded marketing (MDF) aligned to competencies and partnership commitments; used 100% of the fund for the first time in Zendesk history.
- Launched the Tech Alliance Solutions Library, a joint-solution asset hub that increased partner-sourced lead conversion.
- Directed partner presence at Zendesk Relate, exceeding sponsorship revenue targets by 102% and contributing to a record event pipeline.

Daasity — Senior Field & Partner Marketing

Aug 2022 – Nov 2023

- Led partner and field marketing with Snowflake, BigCommerce, and NetSuite that drove a 35% increase in MQLs in FY23.

Sendlane — Director of Strategic Partnerships, Technology

Dec 2021 – Jun 2022

- Launched the technology partnership program from 0 to 1, contributing 20% of company revenue by Q1 and 65% of MQLs through Shopify and BigCommerce webinars.

Justuno — Director of Technology Partnerships

Feb 2015 – Nov 2021

Promoted 3x, starting as Partner Marketing & Agency Training (2015)

- Built the technology partnership program from the ground up to drive 30% of company revenue; brokered the first tech-partner reseller agreement (Postscript) at 4x average deal size.
